February Event

A cozy and fun afternoon playing
the Swiss Traditional Card Game of "Jass"

Hello Members,

We are trying to gather enough members to play "Jass". If there is enough interest we will meet Sunday, February 24th, from 1-4pm at the Swiss Park. An email will go out later with an update.

Lessons will be provided for players new to the game and for those who would like a refresher course. Please contact Lilian Dreier at (858) 228-0813 or lsdreier@hotmail.com for questions or if interested in playing.
