Greetings to all from the San Diego County Swiss Club. On Saturday, June 21, 2025, our club will be hosting its 75<sup>th</sup> annual Schwingfest. We are very proud of our Swiss heritage and encourage all members and members' businesses to place an advertisement or well wish in our Schwingfest booklet. By placing your ad, you are contributing to our prize pool, attracting talented wrestlers, and ensuring that our Schwingfest is successful.

While the Schwingfest booklet is compiled to support wrestling, it also serves as a showcase of our club's events throughout the year and will be enjoyed by future generations.

If you wish to review your 2024 ad, or browse past booklets, please navigate to [www.sdswissclub.com/schwingfest.html](http://www.sdswissclub.com/schwingfest.html), click Schwingfests, scroll down the page to find digital copies of past booklets.

Thanking you in advance for your donations and looking forward to seeing all of you in June!
